Where is Vitality?

Vitality is opposite Westfield Kotara (directly opposite Kmart Tyre and Auto within the Westfield Carpark). There is plenty of parking at the front on Northcott Drive.

Please note:

If you are travelling down Northcott Drive from the Pacific Highway Charlestown, Merewether, you are not able to turn right into Vitality (there is a barrier in the the road).

Please turn left onto Lexington Parade, travel to the end.

Turn right into Park Ave to the traffic lights. Turn right onto Northcott Drive
